

Students learn alphabetical order and beginning letter/word sounds.

Materials Needed

1. Any pack of Alphabet Display Letters
2. Felt pens, crayons or coloured pencils
3. Hole punch
4. Metal ring or string

1. Punch out the letters from A-Z, one each.
2. Draw pictures on the back of each letter of objects that start with that letter. At this point, you can laminate the letters for durability.
3. Punch a hole in the top left of each letter.
4. Attach the letters to the metal ring or string so students will be able to see them in alphabetical order.
