

Learn the shape and sound of each letter of the alphabet.

Materials Needed

1. Solid colour Italic Alphabet Display Letters
2. Paper
3. Crayons, felt pens or coloured pencils
4. Glue or tape

*Examples shown: S for Snake,
O for Octopus, C for Cat*

Punch out one of each letter of the alphabet to have them ready for use. Brainstorm with the group a list of animals that start with each letter of the alphabet.

1. Give each student a sheet of construction paper and one letter of his or her choice.
2. Think about how to create an animal using the letter as part of the animal's body.
3. Glue or tape the letter to the paper and design the animal around the letter.
4. Incorporate the animal into a scene or habitat where one might find the animal.

Post the letter animal scenes in a row for all to see the animal alphabet line, or create a book with the animal alphabet art.
