

What you'll need:

1. Red Lettering: T79742
2. Happy Crab Cards: T10966
3. Blue Vibe Border: T92600

A fun and simple display to create when studying ocean life. Fold the Blue Vibe borders so they create a 3-D wave effect.

Other ideas: You can also use Cut Out Cards for other studies:

Insect / Bugs T10944

Fish CTP6439

Robots / Space CTP1799

Monkeys/Jungle T10941
